Have a *Toolbox Talk* with your morning coffee

Put on the coffee, round up your workers and settle down for a *Toolbox Talk* on farm safety.

Oh – you might want to pass the donuts first! But these *Talks* are really sweet! And easy to use as the start of a safety conversation that could save lives, time and money.

Each one-page *Toolbox Talk* contains key safety points and procedures of all kinds of farm work. You're sure to learn something new!

So download your free set of eight *Toolbox Talks* at www.planfarmsafety.ca.
