

Journey Through FarmLand

- **Ideally up to 12 students at a time**
- **Ideal Ages- 5-9 (Kindergarten to Grade 3)**

Welcome, BASF Safety Scouts, to the thrilling adventure through FarmLand! Are you ready to embark on a journey filled with excitement, challenges, and valuable lessons in farm safety? In this game, you'll roll the dice and navigate your way across the colorful game board, encountering both safe spaces and perilous farm hazards along the way.

Each step you take brings you closer to the ultimate prize awaiting you at the end of the trail. But beware! For every hazard space you land on, a tricky farm safety question awaits. Answer correctly, and you'll continue your journey unscathed. But falter, and you'll find yourself back at the starting line, eager to try again.

So gather your wits, BASF Safety Scouts, and prepare for an unforgettable adventure where knowledge and skill are your greatest assets. Let the journey through FarmLand begin!

Contents:

- 24 marked spaces (16 safe spaces and 8 hazard spaces. Hazard spaces are represented by the traffic cones. Each cone has a number on the inside to set up the game in numerical order.)
- 1 large die
- 1 deck of hazard question cards (3 per hazard, Pick 1 question)
- 12 BASF Safety Scout vests
- Prizes

Instructions:

1. Each child or group of children (groups up to 3 players) start by rolling the die.
2. The player(s) move to the space as per the die.
3. If the player(s) land on a safe space, they stop and wait their next turn to roll again.
4. If the player(s) land on a hazard space, they answer a question associated with the hazard they land on (asked by the adult overseeing the game—see attached deck of hazard question cards), if they answer the question correctly, they stay on that space and wait their next turn. If they get it wrong, they start again!
5. As each child finishes, they win a BASF Safety Scout sticker!
