Commit to Farm Safety

It's Canadian Agricultural Safety Week, and this year you're encouraged to commit to farm safety every day.

Farm safety is about more than just being aware of hazards. It's about engaging in conversations that reflect on the importance of farm safety. And above all, it's about contributing to long-term changes that benefit everyone who lives and works on or visits Canadian farms.

By committing to making farm safety a priority every day of the year, we can work together toward ensuring no one gets hurt on our farms.

This Canadian Agricultural Safety Week, we celebrate Your Farm, Your Family, Your Success. For more information on how Safety is Our Promise, visit agsafetyweek.ca.
